

To Whom It May Concern,

In July 2016, Sai Pillay of Mumbai, India completed translation of the dialog of our English-language film *Bonnie Pureheart and the Golden Ghost* to Hindi and added subtitles to create a Hindi-language version for distribution in India. We found him to be easy to work with and enthusiastic about our project. I would recommend him to any English-language film maker wishing to prepare for distribution in India.

Sincerely,

*C. G. Masi*

C.G. Masi, Producer
